## OBJECTIVE

The One Day Workshop on the Fundamentals of Islamic Finance & Investing is part of the Islamic Finance Access Programme (IFAP™) offered by Edbiz Consulting.

Developed by Professor Humayon Dar in collaboration with the top practitioners in Islamic Finance, the One-Day programme aims to introduce the fundamental concepts, structures, practices, institutions and development of funds in Islamic finance.

Luxembourg has recently been recognised as an important hub for Islamic finance, and continues to be very active player for international global investors.

A qualification in its own right, the attendees will receive the 'HD Certificate' in 'Islamic Finance & Investing', which can also serve as a gateway to more advanced qualifications like the Executive MBA in Islamic Finance offered by Cass Business School, London.

## PARTICIPANTS

The Programme is designed for:

- Wealth, Fund & Asset managers
- Structuring personnel from investment banks
- Independent financial advisors
- Consultants
- Lawyers
- Academicians
